FOR IMMEDIATE RELEASE

Overnight Closure of Northbound I-405 Connector to Eastbound I-105

HAWTHORNE — The California Department of Transportation (Caltrans) today announced the scheduled overnight closure of the northbound I-405 (San Diego Freeway) connector to eastbound I-105 (Glenn Anderson / Century Freeway) from 10 p.m. Tuesday, Mar. 6 until 5 a.m. Wednesday, Mar. 7. This temporary closure will provide additional work space to allow installation of overhead signs on the northbound I-405 connector to *westbound* I-105, which will remain closed through April.

This schedule is weather-permitting and is subject to change.

Eastbound Detour: Continue northbound on I-405, exit Imperial Highway, turn right and drive east to the eastbound I-105 on ramp at Freeman Ave.

Westbound Detour: Continue northbound on I-405, exit onto Imperial Highway westbound.

Detour signs will be in place. Upon completion of this overnight work, the ramp from the northbound I-405 to the *eastbound* I-105 will re-open. The ramp from the northbound I-405 to the *westbound* I-105 will remain closed as reconstruction of that ramp continues through the end of April.
